

I recently moved to Phoenix, AZ and I have tuned into one Radio station only K-LOVE. I do not listen to any other Radio station ever! K-LOVE is the ONLY Radio station on the FM dial that comes in loud and clear and is out there to change lives. Bringing the knowlege of Christ to others not only changes lives but it helps build communities that put others first as Christ did. Everyone benefits, it is a win win situation for all. I don't want to do without them, ever!

Thank you for your consideration
